Over the years we have captured, stored and retrieved records in a variety of formats. This chart represents the most efficient and economical way for Purchasers to obtain bulk volumes of historical data and/or to purchase the current year’s information that now includes document images in addition to records.

BE ADVISED that Purchaser must decompress the compressed volumes, and that Purchaser is responsible for ensuring that the storage device is sufficient for said data expansion.

Also note that this same information is found at [www.co.charlotte.fl.us](http://www.co.charlotte.fl.us), although the web access limits you to one records search at a time, and does not allow for data or image downloads.

**DISCLAIMER**

Neither Clerk, her employees or agents expressly or impliedly warrant that the information or data requested by Purchaser is accurate or correct, or that an electronic data record or image exists for every document in custodianship of Clerk. There are no expressed or implied warranties in connection with the Service.

The Clerk shall not be liable for any loss, cost, damage or expense arising directly or indirectly in connection with this Purchase. In no event shall the Clerk be liable for any special or consequential damages or for any indirect damages arising from the Purchaser’s use or application of the information accessed as a result of information provided electronically to Purchaser.

In the event that any legal proceedings are commenced as a result of this Purchase, the venue for such proceedings is Charlotte County, Florida, and the terms of this Purchase shall be construed in accordance with Florida law.
